"Teaching Excellence,

Inspiring Greatness"

Premier Volleyball Academy is an academy designed for many different programs with the sport of volleyball. The academy houses hundreds of young players in our travel team program, along with youth development programs for all players. Having been in business for more than 14 years, we are currently one of the largest junior volleyball program in the state of Ohio serving young athletes in their volleyball endeavors. In addition to our youth programs, we are the largest facility that hosts adult volleyball with more than 700 players in leagues competing throughout the week. Another major portion of our visitors to our facility come from tournaments that we host each weekend for both juniors and adults. These tournaments welcome hundreds of participants and spectators for the entire day. We host over 30 events each year in the winter/spring months.

Here at Premier Volleyball Academy, we offer advertising opportunities for local business. Our building signage is approximately 6 feet by 10 feet, and the sign will hang in the facility for two calendar years all year around. The cost of the 6 x 10 building sign is \$800.

Lastly, we offer advertising on our web site www.premiervolleyball.com. This opportunity is available for any business looking for more exposure. All ads are hosted on our home page and our sponsor page. Hotel advertisers are located on the lodging page. A website ad with link is \$700 for one calendar year.

We hope that you feel that this could be a great bonus to your company's business as much as we do.
